Subject: Good news

My dear Aba al-Ayyubi, O hero of the high mountains of Jordan.

"In the name of Allah, the Beneficent, the Merciful. All praise is due to Allah, the Lord of the Worlds. The Beneficent, the Merciful. Master of the Day of Judgment. Thee do we serve and Thee do we beseech for help. Keep us on the right path. The path of those upon whom Thou hast bestowed favors. Not (the path) of those upon whom Thy wrath is brought down, nor of those who go astray." Amen.

Praise Allah because we passed this stage safely and specifically because after we had actually written to you that the instructions of the leadership were in the strict disguise and caution and in the reduction of travel by airplanes then again we received directions from them to continue our actions with the wisdom and the patience as we were used to in the past. The enemy in spite of his destructive weapons and his many equipments will never overcome us since we surely revenge for our Prophet, Allah's blessing and peace be upon Him, and our religion and the widows and the orphans and the disfigured. Enough enough enough. The hour to call the enemy to account has indeed become very near. Truly as you said in your message the moment truly has come for your allegiance to the Commander Usama, may Allah prolong his life.

My brother, truly as you said in your last message that our generation is the End of Time and the beginning of the victories for the Muslims. We also see signs of the victory and defeating of the enemy in his own country and there are many brothers who carry out heroic actions behind the enemy ranks. So did the good news reach you about the brother 'Abd-al-Hakim Mujahid Muhammad (what a wonderful name, the servant of his Lord and Mujahid and follows the example of the Prophet, Allah's blessing and peace be upon Him)? This brother killed and wounded soldiers of the enemy in a city that is not far away from you called Little Rock. Read what one of the enemy's strict media outlets said, may Allah curse who are in charge of it and its directors. Go to this link and enjoy the good news:

So although we celebrate the good news for the enemy's loss but this brother seems to have acted alone and without coordinating with us or with other brothers as the brothers in New York also did. And this brother did one operation without the ability to repeat it many times. Therefore my dear slowly and patiently as the victory is a result of the planning and the perseverance. My dear be careful not to be enthusiastic and embark upon an individual action without coordinating with us. So it is good what you said in your last message that the patience and the disguise are

characteristics that you are endowed with. And did not Allah be He exalted say in His Book:

"And seek assistance through patience and prayer, and most surely it is a hard thing except for the humble ones." Allah Almighty has spoken the truth.

We congratulate you for purchasing the computer and working immediately in using it for the sake of Allah Almighty although it is costly. My prayer is that Allah be He exalted counts your deeds and your sacrifices good deeds in your scales. I am impressed with your caution and your effort in installing the best security and precautionary programs on it. And as you said no American dog will ever be able to trace you. Also we congratulate you for what you informed us that "there is a good idea that already occurred in your head one of the strongest strikes ...it will hit the economy..." And it is good that you said that you will tell the brother Hussein face to face about it. And in this respect then we are preparing to send to you this brother for follow up. I think that he will call you soon and he will be at your end the next week, Allah willing.

We pray for you for success and for Allah's and the father's pleasure with you. Pray for the success of our cause and for the safety of the Mujahidin brothers and especially the Sheikh Usama and his companions, may Allah delay their death. Allah is Hearer and Answerer as He said in His Book:

"... surely my Lord is Nigh, Answering." Allah Almighty has spoken the truth.

I hope to meet you in person soon.

The brother Rafiq
